Winter Quarter 2016 Welcome Message from the Dean

Dear Members of the Emperor's College Community:

Please **Save the Date**: December 19-20 for the 2015 Veteran and Families Stand Down at the Los Angeles Convention Center, where Emperor's College will provide alumni, DAOM and MTOM student volunteers to bring this medicine to hundreds of homeless and at-risk vets. More information to come in the next few weeks.

With mandated insurance coverage for acupuncture, we know that your future as graduates is bright. The state of California is leading the way with many positive changes for our profession.

Also if you have not yet seen our Special Olympics coverage issue of <u>Acupuncture Today : Oriental</u> <u>Medicine on the World Stage!</u>

I am pleased to announce the newly added electives offered this 2016 Winter quarter in all the five concentrations. Emperor's College is very proud and privileged to have our esteemed faculty, which allows us to offer the widest selection of electives available among all Oriental Medical Colleges in the United States.

The course descriptions as well as their prerequisites will be posted on the student announcement board across from room A.

Please take note Drs Kessler, Maeda, Zhai, Lin, Stevens, have a mandatory first class attendance policy. I am looking forward to seeing many of you for counseling or any questions or clarifications you might need on the concentrations during the next few weeks. I recommend that each of you check in with Dr. Badami or me to get an update on just where you are in your program and to be sure you are on pace. Please schedule a time with Marcia for advisement. Please be aware that the schedule does have some revisions.

I would like to share one of my favorite verse from Chapter 2 of the Su Wen:

"The 3 months of winter Are called closing and storing. Water freezes, Earth cracks. No more influence from the yang. One goes to bed early; one gets up late."

Yours in optimism, Jacques MoraMarco, OMD, LAc. Academic Dean
