

The Fall Quarter Welcome Message from the Dean

Dear Members of the Emperor's College Community:

The dragon and the tiger are symbolic in the I Ching, The Book of Changes, representing different approaches to seasonal energies. These two energies can be seen as 'the ascent of the dragon lines' and 'changing like a tiger'; thus after summer solstice the yang energies start to wane--it is the yin energies that need to be nourished...

I am pleased to announce the return of Sensei Mikio Sankey. He will be teaching an exciting elective that covers the material from his upcoming book, the 7th volume in his series of the internationally acclaimed Esoteric Acupuncture books. This is a rare and unique opportunity to learn the concealed meaning and application of the Sacred Geometry as taught by the founder of this system.

We also will be continuing classes in all our five Concentrations: Japanese, Korean, Classics, East/West Nutrition and Nei Gong. I strongly encourage you to come and have a conversation with me if you have an interest in and need clarification about any of the concentrations. These electives, with their course descriptions as well as their prerequisites, will be posted on the student announcement board across from Room A.

We are now into the 5th week of the quarter with Fall registration on August 30th. Please take note of the clinic lottery as stated by the Dean of clinics: "**Input your desired clinic block lottery choices on the library computers beginning at 12 noon, Friday, 8/19/16, and ending at 12 noon, Friday, 8/26/16—the day when the actual lottery is run.**"

We are pleased to announce our return to what used to be the L.A. Free Clinic--now known as the Saban Community Clinic--this Fall, on Mondays from 5:30 to 9:30pm. More details about this externship will be given at the intern meeting.

A special thanks to Dr. Thom Nguyen who will be doing a second clinic block on Tuesday afternoons for the Fall quarter!

Dr. Ji Zhang will be on a clinical sabbatical for the Fall quarter only and Dr. John Gu will be spending some time in Shanghai celebrating his father's immense contributions to Chinese medicine--it will be the 100-year anniversary, and Dr. Gu will therefore be working at a reduced schedule for the Fall quarter.

Our Associate Dean, Dr. Badami, is looking forward to seeing many of you for counseling during the next few weeks. I recommend that each of you check in with her to get an update on just where you are in your program and to be sure you are planning your course schedule in accordance with the prerequisites and any of the Concentrations' tracks . Please contact Marcia for a time for counseling with Dr. Badami. The recommended course sequence can be found at:
